This year's event will be filled with games, activities, and a belt loop or two to be earned. New this year is an archery range. This is an overnight camp out for Cub Scout families. If you can't attend the entire event then please come and enjoy as much as you can. Each pack is responsible for their own evening meal. Breakfast Sunday morning will be provided for those who stick around to help clean up. Come make this year the biggest and best ever. If you have any questions please call or email one of the contacts below. More information will be available at September's Roundtable.

Volunteers are still needed to fill time slots for some of the activities, so if you know of anyone who would love to bring a smile to a Cub Scouts face please have them contact...
