

Winter Star Party 2009

Pioneer Scout Reservation

January 17, 2009

5:00 PM - 10:00 PM

VIEWING

DINNER

PATCH

FELLOWSHIP

\$9.00 PER PERSON

The winter sky is wonderful, even if the viewing is cold. The Toledo Astronomical Association joins with Erie Shores Council to present this annual winter viewing experience. A simple chili dinner will be served. If the weather does not cooperate, we will view astronomy related educational videos and talk about astronomy.

Toledo Astronomical Association

Individuals who are doing Camp Alaska necessarily can not partake in the meal or any videos, but they are welcome to join the viewing without cost. They may purchase the patch separately.

To Register contact the Scout Service Center 419-241-7293
